HEALTH & SAFETY POLICY

The management committee want to ensure the safety of all those involved in Northern Exposure Rescue events.

In order to do this we have outlined the aims of the committee in this health and safety policy. As a result our statement of policy on health and safety is as follows:

Northern Exposure Rescue will;

- comply with appropriate health and safety legislation;
- provide adequate control of the health and safety risks arising from our activities;
- consult with our volunteers on matters affecting their health and safety;
- provide and maintain safe vehicles and equipment;
- ensure safe handling and use of substances;
- provide information, instruction and supervision for volunteers;
- ensure all volunteers are competent to do their tasks, and to give them
- adequate training;
- prevent accidents and cases of work-related ill health;
- ensure activities take place safe and healthy conditions.

This policy is effective immediately and will be reviewed at regular intervals by the management committee.
